

COMMUNITY NIGHT

Saturday, November 14

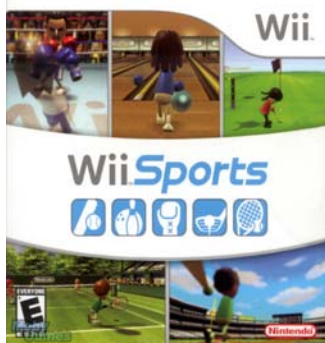

5:30 PM till we're ready to quit!

We'd like this night to be a little something for everybody. We'll start with Breakfast for Dinner. Calling all waffle irons! Come enjoy pancakes, waffles, crepes, eggs, bacon, toast, fruit, and whatever else we can dream up.

After dinner will be a free for all. Bring your favorite board game, and teach us how to play. If you're not a gamer, but you'd still like to dive into the Bush Hill community, bring a puzzle. It may sound old school, but puzzles can be strangely satisfying as you work with a group and piece by piece, the picture comes together.

Puzzles and games are not your thing? Bring a candle and your favorite CD and share some of your favorite music. Are you a Guitar Hero or the greatest Wii Athlete on the planet? You've got to show us your stuff.

As you might imagine, this event will require a little coordination. If you plan on coming to Breakfast for Dinner—or your idea to add to the evening's fun requires some logistical support—please drop Steve Trickey an e-mail (itstrickey@gmail.com) or give him a call (703.541.3142).
