Chapters 9-14, pg 65-118.

- Part 2: Suicidal System (cont.)
- Part 3: Reframing Jesus

If time is short for you this week, here is some targeted reading.

Chapter 9

Read about dysfunction in the prosperity, equity, and security systems. p 68-70

Read about out destructive narratives. p 70-72.

Chapter 10

Couldn't figure out how to condense this one. Read the whole chapter.

Chapter 11

Read about framing stories (narratives) of Jesus' day. p 88-90.

Then go ahead and read two more pages and finish the chapter. ;-)

Chapter 12

If you have to skip this one OK. But you'll get more out of the book if you can make time to read these 7 pages.

Chapter 13

Compare the actual Magnificat p 101-102 with the cynical rewrite p 103.

Jesus, in typical I'm not going to spell it out for you form, lays some ground rules for his ministry. p 105-107.

Chapter 14

Read about Jesus asking his disciples "Who do people say the Son of Man is?" bottom p 110-112.

Read about Jesus talking with Pilot. p 113-114.
